About Vonda

Vonda Gates has been an ICEA certified childbirth educator since 1991. She became one of the first 20 DONA certified doulas in 1993.

Vonda continues to serve the educational needs of birthing families as an active childbirth educator and birth doula. BirthBasics also provides approved training events for the birth professional.

Vonda has served as an international ICEA Approved Trainer (IAT) since 2007 and is past member of the ICEA Executive Board. She was honored as the ICEA Outstanding Trainer of 2015.

Vonda is happily married. She and her husband enjoy living in the North Georgia area just south of Chattanooga, Tennessee.

PROFESSIONAL CHILDBIRTH EDUCATOR WORKSHOP

*An ICEA approved workshop
event for today's
Birth Professional*

On-line registration @:

This workshop provides hands-on experience for the new educator and leaves the experienced birth professional with current tools of the trade useful in serving the birth parent and their families in the birthing year.

Attending the entire workshop will meet contact hour requirements for International Childbirth Education Association's (ICEA) PCBE certification or recertification.

For the Registered Nurse, this workshop will provide the latest evidence-based research.

For more information about certifying as a professional childbirth educator with ICEA see the Professional Childbirth Educator Program (PCBE) at www.ICEA.org.

BirthBasics also provides
One-Day Program Events
and Event Speakers

Workshop Topics:

Today's Childbirth Educator

Evidence-Based Teaching

Curriculum Development

Teaching Healthy Lifestyles

Teaching Coping Skills as Life Skills

Teaching a Calming Breath

The Hormones of Birth

The Labor Process

Labor Support

Transition and Second Stage

The Unexpected & Pain

Birth Anxiety Disorders

Postpartum and Newborn Care

"Thank you for your wonderful teaching and words of wisdom this past week. I was so encouraged by all the women there. This workshop was a definite turning point in my career."
